The most recent meeting included items that were relevant to my daily activities. Yes - 20 No - 1

Please detail the most beneficial aspects of the most recent meeting.

Communcations	dii updates
Helped to give me insight into my job responsibilities.	information pulled
Lunch	Open discussion
outline of expectations	Small group activity and interactions with everyone.
Small group sessions for quick information	The entire day was very beneficial.
The inventory	The New work duties and client communication
Updates	Was able to get update on thing that we done over summer
Information shared for 2015 -2016 changes; tentative dates of pending service	
Just to get the latest information of things that occurred over the summer and upcoming ones as well. Any new items that are needed to be done by the technicians before school starts.	

Please detail specific ways the most recent meeting could be improved.

I enjoy some of the meetings when we only have our specific grade levels in the participation.

Training	training
I'm OK with the current meeting agendas.	information pulled
It was great	Keep trying to improve, even though we're doing our best!
None	People needed better focus on the meeting, rather than
information over and over. There were some new things introduced but I'm not sure they needed hours to be demonstrated as a simple email of please go here for new information would suffices.	

Please identify any technology-focused campus concern your campus is experiencing at this

A total network overhaul.	information pulled
Imaging times are a little slow.	Prime is assigned a certain area
Wifi for Janitors	
Inventory	New campus; I'm not aware of any issues yet.
Nonoe that I know of presently.	

Suggestions. Thoughts. Ideas?

More videos to help with issues	
information pulled	researching
None	
Thanks for the delicious breakfast, lunch and snacks throughtout the day!	
I'm not sure why we keep trying to invent the wheel. Every six months or so there is a new place created with so many hours wasted just to get the same information that used to be in the solution sheets folder (does anyone remember the wiki page?).
