Bond 5.2**

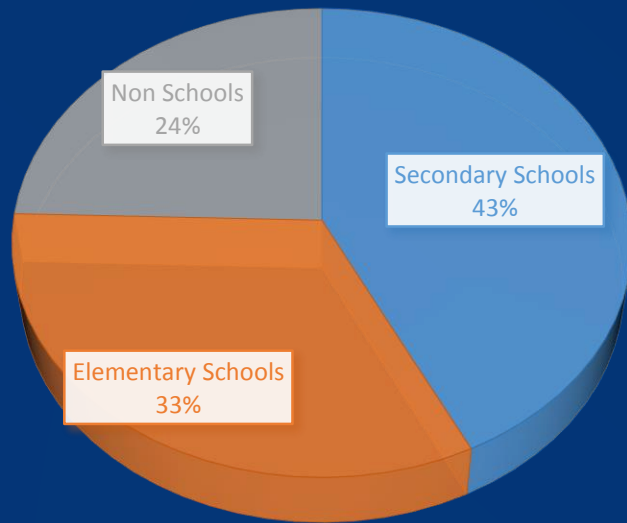

# Replace Administrative Staff Technology

*CFISD Project Manager: Jay Johnson*

Week Ending July 3, 2015

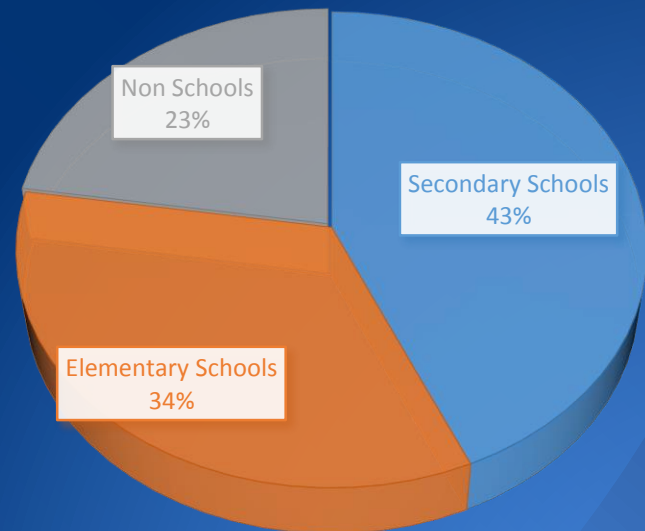

There are 1,287 desktop and 523 laptop administrative computers that will be replaced for the first year of the bond replacements cycle (in 2015). Purchase orders for administrative desktop computers and monitors were processed and completed. The Acquisitions team will begin the next phase of the replacement process by ordering the laptops starting the week of July 6. The laptops will be ordered based on the mobile device Request for Proposal (RFP) #15-04-4442 which was recently approved. Click [here](#) to view the RFP.
