

Bond Goal 5.2 Update

Administration Computers Delivered

The Acquisitions team ordered and delivered 1,810 administration replacement computers. This was 1,287 desktop computers and 523 laptop computers. This is 100% of the total administration computers that were scheduled for replacement this year.

If you think that you had an administration computer that was scheduled for replacement that was missed, please contact Leonard Chance (leonard.chance@cfisd.net) the Assets team leader and he will research your request.
