

Bond Goal 5 Update

Administration Computers Being Delivered

The Acquisitions team has submitted all of the purchase orders for the administration replacement computers. Our computer vendor has completed the process of delivering replacement computers. They have replaced all 1287 administration desktop computers. This is 100% of the total administration desktop computers that are scheduled for replacement.

The Assets team is now working on replacing the administration laptop computers that were scheduled for replacement this year. The team should have all of the laptops replaced by the end of October.
