Install Technology in New Schools

CFISD Project Manager: Thomas Hollister

Woodard Elementary (ES #54)

Week Ending July 17, 2015

Bond 6.1

Woodard Elementary (ES #54) – Thomas Hollister has been working closely with Netversant to advise on IDF and layouts, plus drop labeling. Layouts have been adjusted slightly for a better fit. Thomas provided rack elevations in Visio format per closet and is working on Visio drawings to reflect room/rack layouts. Phonoscope connectivity to campus is projected to be complete by the end of July. Substantial completion for the campus is currently projected for late July.

A checklist has been developed to monitor the progress of the technology items needing to be ordered and completed.
