

DEVICE IMAGING AND INTEGRATION LANDESK UPDATE

DII team continues to work with on rolling out LANDESK. The plan is comprised of having multiple teams working on different tasks. The simple way to explain this is that the teams would work on converting desktops and imaging laptops across the district. The bottom goal is to convert desktops so that the users do not lose data and to reimage laptops where possible so that they would operate more efficiently. Click [here](#) to see the progress the teams have made.

Here is a list of the teams and the areas they are working on:

Elementary Team
Anthony Melton- Lead
Tara Maxwell
Mike Mattingly
Jose Mendez
Luis Castro
Martin Donald
Oscar - Prime
James O'Reilly
Chris Preston
Art Ramirez

HS Imaging Team
Michelle Campos - Lead
Henry-Prime
Jasmine C.-Prime
Matt-Prime-Prime
Jasmine V.-Prime
Keli-Prime

MS TEAM Desktop Team
Michelle Campos - Lead
Jose- Prime
Amelia- Prime
Bradley-Prime
Brandon-Prime
Keisha-Prime

MS TEAM
Daniel Serwinek-Lead
Eric Pina
Patrick Allred
Brett Hummell
Shannon Simon
Andrew Lopez
Rosemary Hernandez
Brandon Splawn
Stephen Rodriguez
Demetria

HS TEAM-Desktop Team
Austen Chang-Lead
Edward Quintanilha
Aaron Widrick
Susan Pavliska
Dencio Cabitac
Alaina Harbin
Crystal Gilbert
Fedrick - Prime
Lan - Prime
Joseph - Prime
Jose C. - Prime
Jose C. - Prime
