

DEVICE IMAGING AND INTEGRATION

Food Services POS Upgrades

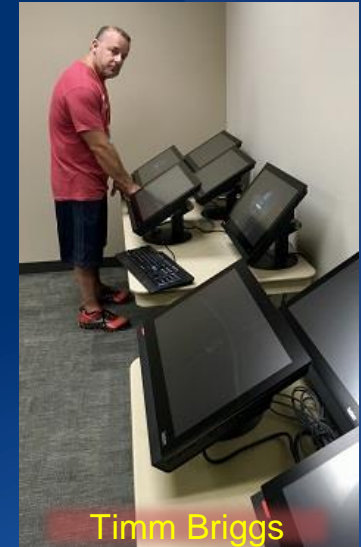

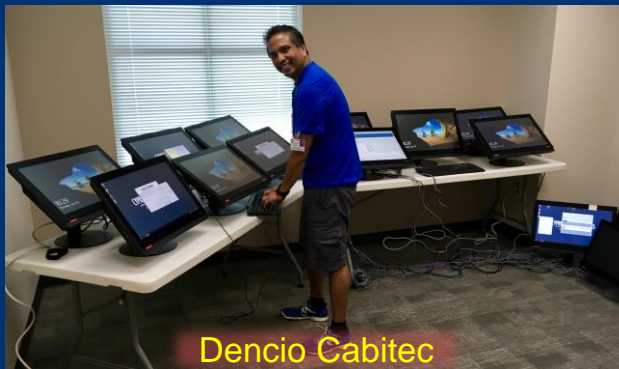

Derly Buentello is heading the project for upgrading all Food Service Point of Sale systems to Windows 10, including configuration of terminals.

This week, computers were completed for remodel schools: Adam, Bane, Watkins, Matzke, and Holmsley.

Also completed were computers for new schools: Bridgeland, Wells, and Hoover.

Dencio Cabitec, **Jose Vargas**, and **Timm Briggs** have been critical in the processes of this project. Thank you, team!

DEVICE IMAGING AND INTEGRATION T4 Meeting

DII Team

The **DII Team** met for the weekly T4 meeting. **Lillie Swearingen** led the book study on *The 21 Irrefutable Laws of Leadership*, chapters *The Law of Victory* and *The Law of the Big Momentum*. Following book study, summer project status was discussed.
