

# Enterprise Communications Network Operational Activity

Oscar Villar

**Athletics** - Trouble shoot Hudl.com degraded video complaints

**Police Department** – Working on new ARMs server activation

**SchoolDude** - Work on WebCTRL integration for Energy Management

**Kahla MS** - Assist HVAC with the reconfiguration of LGR-E environmental controller

Anna Senties

**E-Tix** - Work with Athletics on issues

**Kahla** - I reserved the IP addresses for the thermostats in the portables with the new IP address scheme. I also sent the updated information to David Tooker and the contractor

**Tipps ES** - MCA addressed hubble box safety issues at Tipps

**RFP for cabling services** - Document has been posted online for review
