

Technician Meeting August 2018 Survey Results

Did you attend the most recent meeting? - 16 yes

Did the meeting include items that were most relevant to your daily responsibilities? - 13 yes

Yes they were. They provided information that will help support my support to my campus.

Internet closet are update with temperature signal to the server

Yes it provided changes over the summer and latest on new equipment delivered.

Detail the most beneficial aspects of the most recent meeting.

Imaging	I enjoyed the speaker
---------	-----------------------

What will be happening this year	Very much enjoyed Dr. Cupp
----------------------------------	----------------------------

The new changes.	All of the information was appreciated.
------------------	---

Dr. Cupp's presentation was the highlight for me.	loved the morning speaker
---	---------------------------

The speaker Dr. Cupp had informative information life and work.

The feeling that we are really all team players and all are appreciative in our own special and unique way

All of the updates information as well as the guest speaker

Info on when the remaining equipment may or may not come in! :)

Just knowing what changes were made over the summer that affects the technicians job.

Learning of updates going on within the technology sector of CFISD.

Information about changes to the Re-imaging process, and the explanation of why we're experiencing delays in the arrival of new equipment due to demand and supply as well as political impact connected with China.

to know overall progress and condition of CFISD technology

Overall, how effective was the most recent meeting?

Extremely effective - 3	Very effective - 8
-------------------------	--------------------

Effective - 5	
---------------	--

Identify any technology-focused issues your building is experiencing.

RENOVATION!!!	None so far
---------------	-------------

None at this time.	Construction
--------------------	--------------

Windows 10 update and Security protection	Construction for security all over the district.
---	--

na	
none so far but it is early and without teachers present	Construction and principal moving content rooms.

None at this at this time. Ask in about a week.	None as yet, but I'm sure something will come up.
---	---

Still waiting on equipment that was supposed to arrive last year.

Need to replace monitors, the view sonic monitors are randomly going out, don't have any extra monitors on

Suggestions, thoughts, ideas?

Bring back desserts for the meetings that offer lunch	Have the meeting at a location with better seating.
---	---

More effective training to enhancing our teams.	Just keep us informed about training's and updates.
---	---

None	None at this time.
------	--------------------

It's nitpicking but the cafeteria seats were pretty uncomfortable over that long of a time period

Request further info regarding the loss of Bridgelt. Will the same functions and abilities be available in any way to those who have earned the rights?

Would it be possible to get the tool that will allow us to reset our teachers password at our assigned campus. A lot of my teachers want me to reset their network password.

I will contact the Doug and Frank in reference to monitors for aragon

give tech more Ivanti tools. With the recent update we have lost the use of several handy tools. I'm no longer able to check the history of users or bartags. This is useful when looking for a lost cpu or for clarifying history.
