Submitted Questions

- Projectors, we need to have extra or buy more bulbs in order to get them up and running for all the teachers who do not have a Promethean Board in the classroom. when will the rest of the Promethean Boards coming? [Contact TSC for bulbs. Please get with your Campus Secretary](#)
- Can we get a temporary password that would last a couple of days when the counselors are doing Career Cruising? They say it takes too long to log students in each period and cannot finish in time. [Submit a service request in advance and assign to CCC passwords will be set up for use and then changed when session is completed.](#)
- I have a teacher asking if we can block social media when students login to use the district wifi.

Submitted Questions

- Can we get the correct tools needed to repair the LENOVO laptops? Such as small pry tool for the connecting and disconnecting of cables? [Frank Adian will look at the cost to purchase.](#)
- The AP has asked me for the replacement cost of a Microsoft keyboard (E35 computer in the lab) that was damaged by a student. The AP would like for the parents to pay for the damage. Is there a replacement cost price list for devices/peripherals/power adapters, etc. that we can share with the AP Office? [Contact Kim Bowlin with purchasing.](#)
- Can we get an update on the wireless solution that was being looked at for the Promethean Panels?
