# Submitted Questions

- *Where should the money come from to replace power cords for the yoga's and tiny's?" The funds would come from your campuses Technology budget. See finance person at campus for funds availability.*
- *Tickets are being closed with no communication to the TA (specifically Promethean). Makes me look bad to my customer when I have no idea what's going " Will reach out to schedule a meeting with Promethean.*
- *"Tech Liaison would like to see dates updated on this site: <https://sites.google.com/a/cfisd.net/instrtechbondupdate/goal-InstructionalTechnologymanagesthissite> they are working on updating information.*

# Thank You

As we embark on another state testing period at CFISD we want to thank you in advance for what you have done leading up to testing and what you will do to support your campuses during testing this school year. We have made some tremendous strides in the way we administer testing in the district , and you all have played a big part in that. Thank You!!
