

PROFESSIONAL PROFILE

Educational technology leader empowered with a broad range of executive skills specializing in:

- Creating a vision for the transformative role of technology; Innovating and building 21st century learning environments; and Implementing strategic planning development.
- Developing performance excellence systems based on the Malcolm Baldrige Education [framework](#), key performance indicators, and results-oriented metric systems.
- Understanding teaching and learning, assessment, and professional development needs
- Managing technology and support resources.
- Possessing the political and interpersonal skills to effectively work with stakeholders.
- Developing performance excellence systems based on the Malcolm Baldrige Education [framework](#), key performance indicators, and results-oriented metric systems.

Highly motivated *Chief Technology Officer* dedicated to working closely with the executive team and stakeholders to develop a shared vision with long-term, big-picture perspectives on district goals to plan for meaningful and effective uses of technology; and provide leadership in creating a vision of how technology will meet district needs to ensure student success. ***Expertise includes:***

- Actively participating with members of the Superintendent's cabinet to create a vision for how technology will support the district's strategic and operational goals
- Communicating the effectiveness of technology in enhancing the efficiency and effectiveness of current practices with an emphasis on cost reduction opportunities
- Engaging technology within the interdependent environment of assessment, curriculum, and instruction, Leading infusion of innovative technologies into all aspects of education
- Establishing and leading advisory committees that inform and support meaningful and effective uses of technology to align with district strategic goals
- Facilitating the process of priority setting and decision making for meaningful and effective uses of technology in support of the district's strategic goals
- Influencing appropriate relationships (opportunities) between emerging technology resources and the education process

With 30 years of leadership experience, my unique forte includes serving as an examiner in the *Malcolm Baldrige Criteria in Education for Performance Excellence* focused on building a framework for continuously improving organizational performance.

PROFESSIONAL AWARDS AND ASSOCIATIONS

- Received the Texas Association for School Business Officials (TASBO) Commitment to Excellence Award in February 2016. Click [here](#) to view the video and [here](#) to read the nomination.
- Served on the TASBO Board of Directors from 2006-2009, Vice President (2010), President Elect (2011), President (2012), Past President (2013).
- Participated in the ASBO International Eagle Institute in 2012 and various conferences and leadership academies between 2006-2013.
- Served on the Consortium of School Networking (CoSN) Texas K-12 Chief Technology Officer (CTO) Council from 2012-2014, President (2014). Now serving as Committee Chair for Professional Learning.
- Served as TASBO's Gulf Coast Affiliate secretary and President in 2004-2005.
- Served on TASBO from 1995 - 2007 on the Information Technology Committee and two 2-year terms as Committee Chairperson.
- Served on the Consortium of School Networking (CoSN) Texas Chief Technology Officer (CTO) Executive Board in 2012, served as the Texas CTO chair in 2014-2015, leading technology in the State.
- Recognized as the CTO of the Year in 2009 by her peers in CoSN Texas CTO Chapter.
- Received the TASBO Performance Excellence Program (PEP) Award in 2010, recognized as the highest level award for excellence, based on the Baldrige criteria and the highest team award given by TASBO.
- Recognized in the Cypress Fairbanks Hall of Fame in 2014, one year after joining the district.
- Received the Texas K-12 CTO Council team of the year award in 2014-2015, and honorable mention at the national level.

Technology is increasingly complex, greater in number and scope, and ever more integrated into the daily instructional and administrative routines of today's school districts.

The role of the CTO has evolved and now requires not only technical and educational skills and abilities, but also political and interpersonal ones.

The Baldrige provides an all-inclusive way to achieve and sustain high performance across the entire organization.

“You make a living by what you get, but you make a life by what you give.”

~Author Unknown

“Service to others is the rent you pay for your room here on earth.”

~Mohammed Ali

“I wondered why somebody didn't do something. Then I realized, I am somebody.” ~Author Unknown

I am only one, but I am one. I cannot do everything, but I can do something. And I will not let what I cannot do interfere with what I can do.

~Edward Everett Hale

Supervisor at Goose Creek as Superintendent between 2008-2012

COMMUNITY INVOLVEMENT

- Currently leading a local area chapter in the prevention, protection, partnership and prosecution of human trafficking with an organization called [A21](#). This is a community involvement initiative that I am extremely passionate about and that is to abolish human slavery in the 21st century.
- Currently sponsoring a service organization that supports [Relay for Life](#) events to honor cancer survivors, provide services for cancer patients, and motivation to fight back for the disease.
- Served as a Board of Director at the [Bay Area Homeless Shelter](#) during 2008-2010. Currently serving as a resource to help homeless victims prepare resumes and provide technology training in basic skills. Currently serve as a mentor to young mothers and girls. Also help the shelter with technology issues when needed.
- Serve as a volunteer in church and spiritual development to help young mothers and girls improve their relationships. As a published author of two books, *Motivating Messages for Mothers of Teenage Daughters*, and *Ease Your Mother's Heart*, provide books at no charge and help inspire mothers and daughters to be all they are meant to be.
- Currently a member of Beta Sigma Phi women's career sorority, and have been since 2007. As a member, spend a significant amount of time contributing in a service project each year. The sorority has sponsored women returning to college, women in need of resources and clothing, helping families during the holidays, and supporting the eldering in emotional support.
- Serve as a mentor to junior school students in National History Fair competitions at the regional, state, and national levels. Provide service in the area of historical research and technology, specifically in the use of digital resources, e.g. video, multi-media, and other products needed to produce projects.
- As a gift, offer video technology services for families in need or celebration, such as weddings, funerals, retirements, and other celebratory events.

PERSONAL ACCOMPLISHMENTS

- Married since 1983
- Three happy, healthy, successful daughters:
 - Kendall – born in 1987, married, college athlete, college graduate from McMurry University, and Lamar University, teacher, counselor, assistant principal serving at economically disadvantaged junior school
 - Kevyn – born in 1990, married, college athlete, college graduate from Concordia at Austin, and graduate student at UT Medical Branch (Family Nurse Practitioner program), and R.N nurse in emergency care.
 - Karsyn – born in 1993, college graduate from University of North Texas, 9th grade teacher in Language Arts with a Special Education certification

PERSONAL INTERESTS

- Running, reading transformational self-help and religious literacy
- Spending time with family, friends, and helping others in need
