

# How to Access Your GroupWise E-Mail from the Retain Archive Database

To access your old GroupWise E-Mail you have two options.

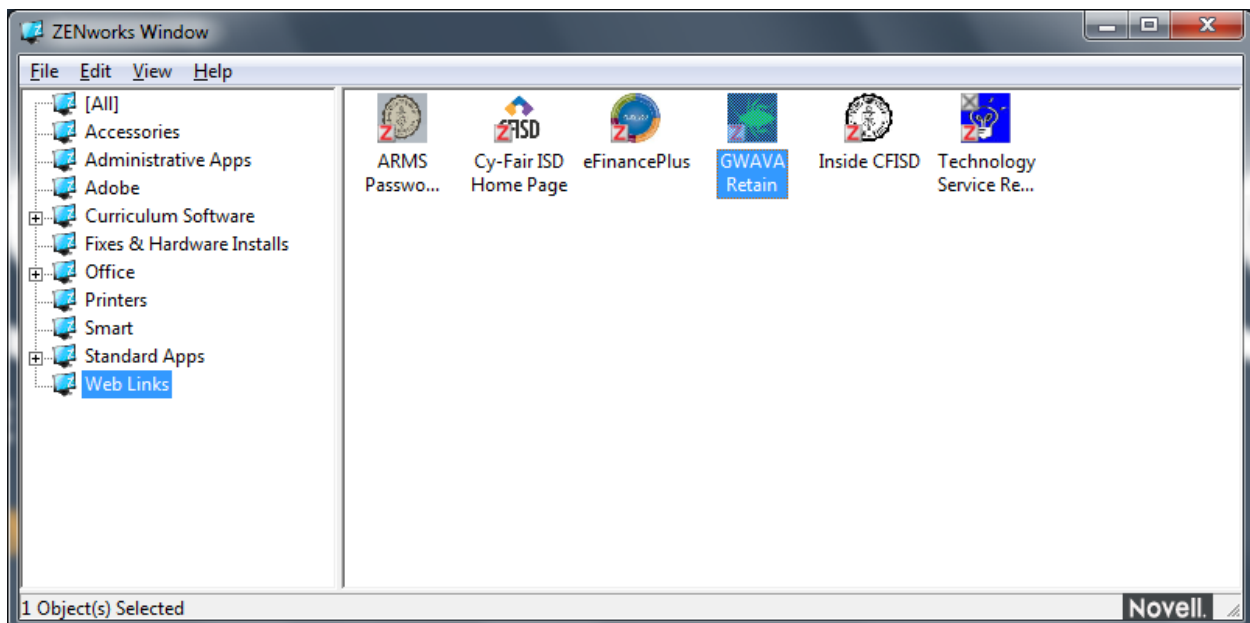

Option 1 – *To access from inside the CFISD network.* Open your Web Browser of choice and go to the following URL <http://10.1.66.66/RetainServer>

Note: This link will only be available inside the CFISD network

Option 2 – *To access from a remote location.* Open your Web Browser of choice and go to the following URL <http://archive.cfisd.net>

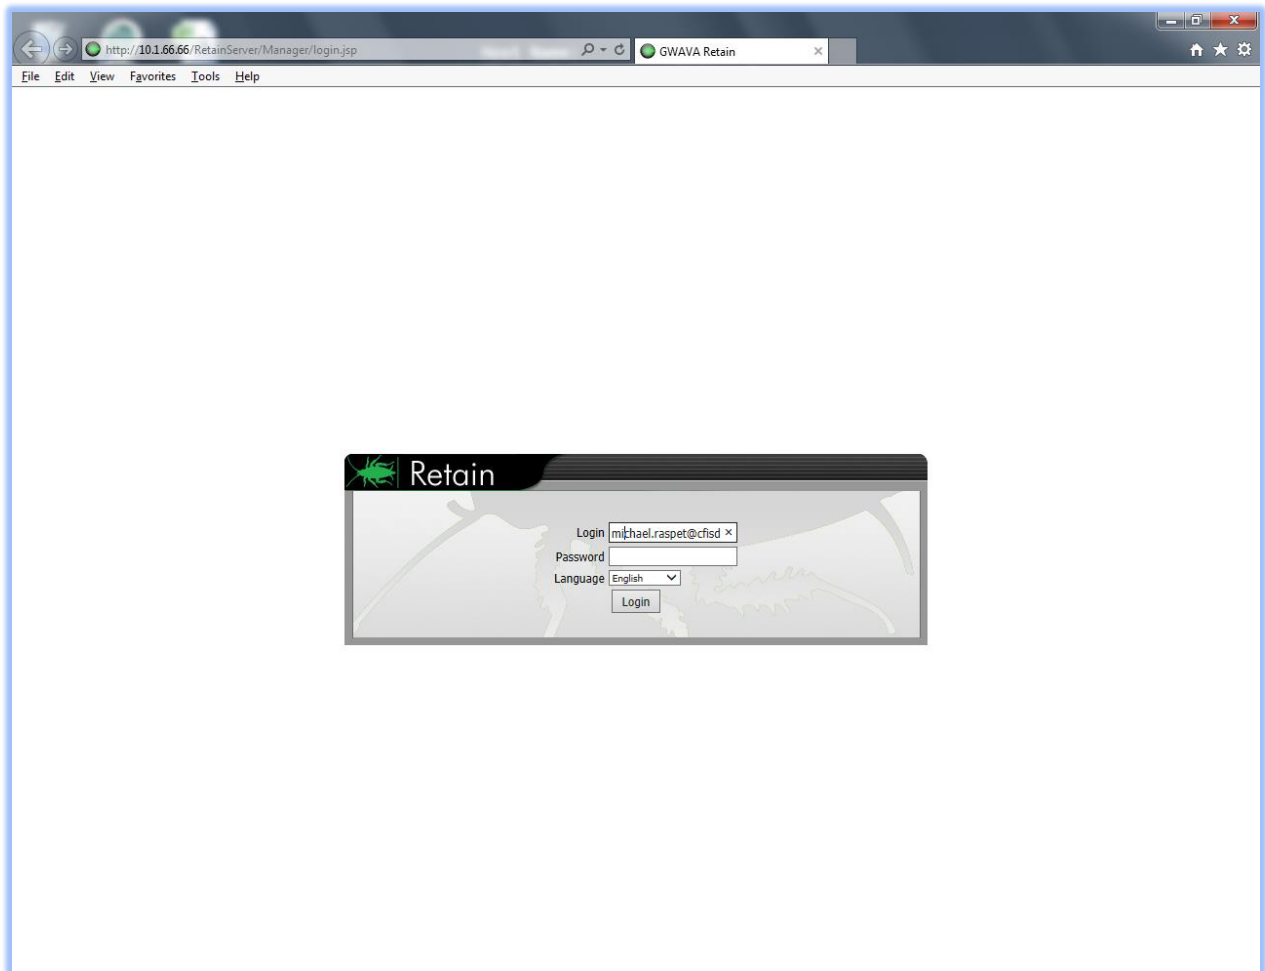

Note: This link will only be available outside the CFISD network

Option 3 – Click on the ZenWorks Window and choose the GWAVA Retain icon as shown below.

You will be presented a login screen similar to below.

Type in your email address and current network password to access your old GroupWise email.
