View grades, get the latest district news and more!
[Student Privacy Pledge information.](#)

The advertisement features a smartphone displaying the CFISD app interface with various icons for home, calendar, messages, and more. The text is bold and clear, with a call to action to download the app. The background is dark, making the white and yellow text stand out.

SunGard Mobile Apps

SunGard Family App

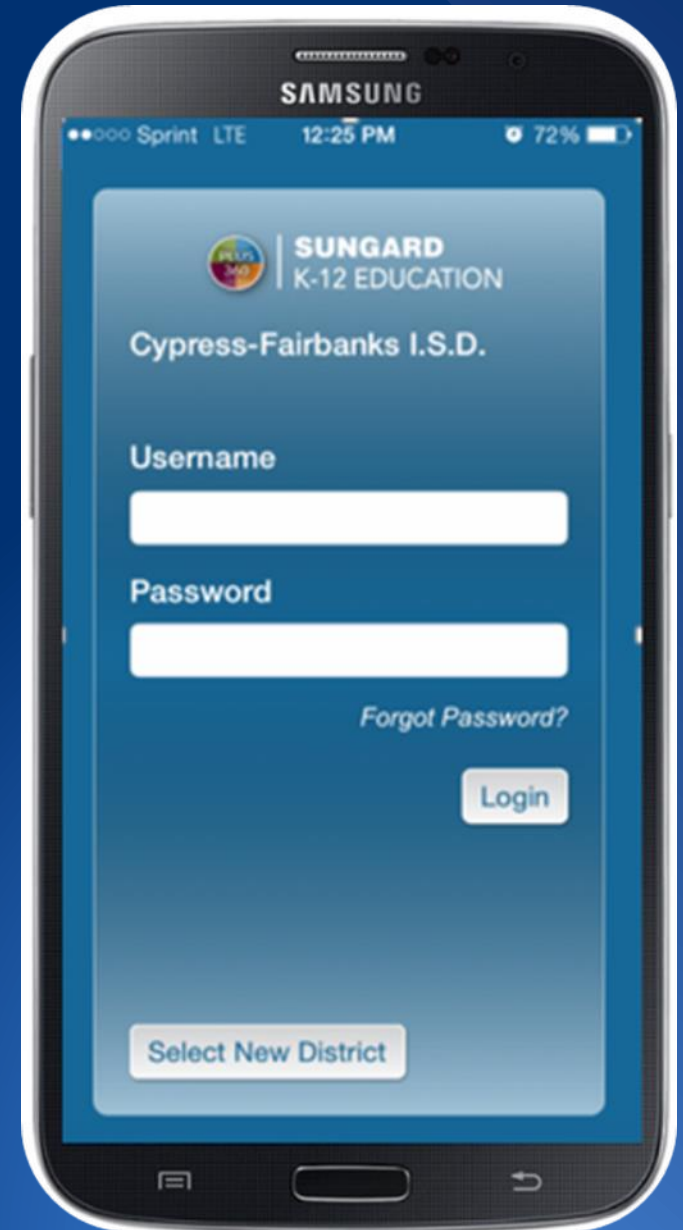

SunGard's first app for their Mobile App Suite

1. SunGard Family App

This app is intended to be used by parents and students.

Provides access to their students information directly from the Student Information System (SIS).

Secure access is controlled by the settings in the Home Access Center.

SunGard Mobile Apps

SunGard Admin App

SunGard's second app for their Mobile App Suite

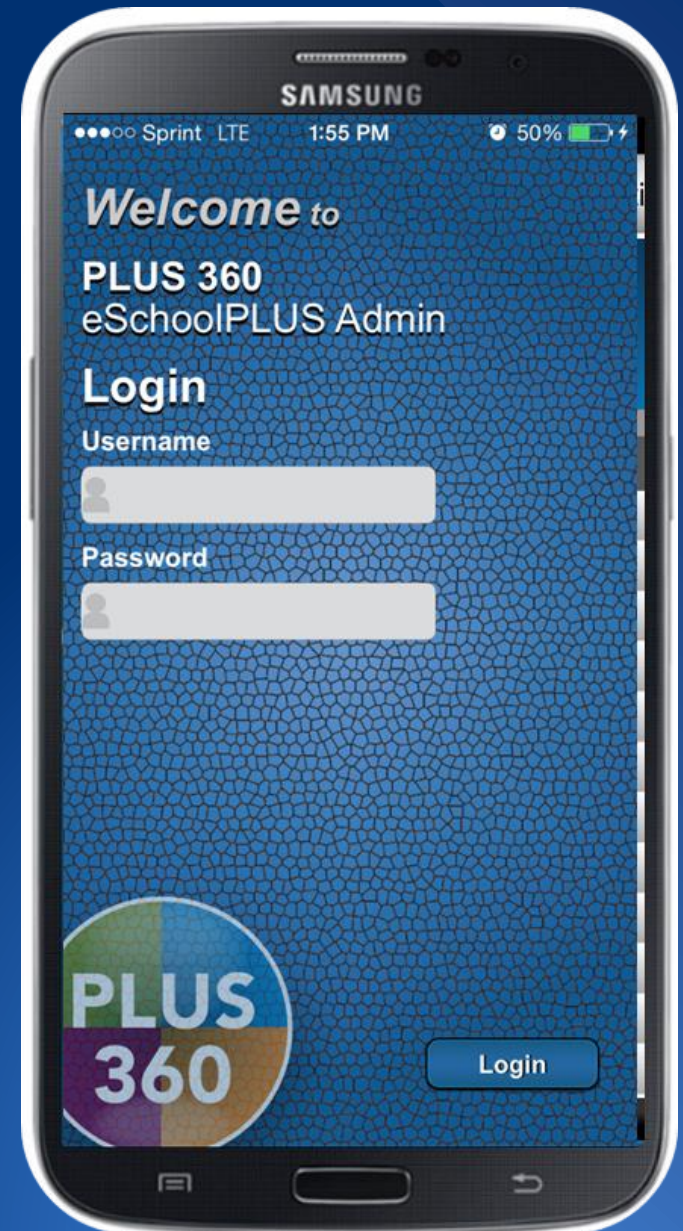

1. SunGard Family App
2. **SunGard Admin App**

This app is intended to be used by the district and campus administrators.

Provides access to their campus's students' information directly from the Student Information System (SIS) on their mobile device.

Access is controlled and secured by the security settings in eSchoolPLUS.

- Show access to discipline – add a discipline referral at that moment – also take a picture
- Show contact information
- Show that you can read or take a note (levels of security – private, shared, or all)
- Show access to medical information
- Show birthday list

Welcome to the SunGard Admin App

**“LEAD from your feet,
not from your seat”**

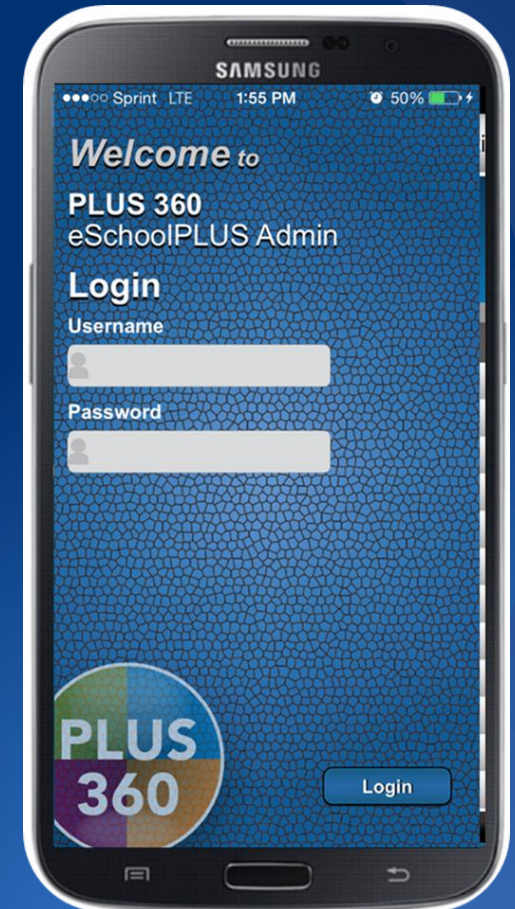

This app is intended to be used by the district and campus administrators.

This app provides access to their campus's students' information directly. The information comes directly and immediately from the Student Information System (SIS) on their mobile device.

Secure access is controlled through the security settings in eSchoolPLUS.

The Admin App is full of features:

- Show bell schedule
- Daily attendance summary
- Student schedule
- Student grades
- E-mail directly to the teacher
- Access to discipline – add a discipline referral at that moment – also take a picture of an incident
- Student contact information
- Student notes (levels of security – private, shared, or all)
- Access to medical information
- Display a daily birthday list

Welcome to the SunGard Admin App

“LEAD from your feet, not from your seat”

This app is intuitive and easy to use.

CFISD Information Services and Applications (ISA) has provided a training video that will guide you through each feature of the application.

The SunGard Admin App training video is available here

Once you have the app loaded on your mobile device and launch it for the first time, you will be asked for the district passkey.

Enter exactly: **XXX-XXX-XXX**

This passkey will connect you to CFISD.

Your campus will automatically be chosen.

You are now ready to use the new SunGard Admin App.

SUNGARD
K-12 EDUCATION

Welcome to the SunGard Admin App

**“LEAD from your feet,
not from your seat”**

This SunGard Admin App is installed and ready to be used by the CFISD campus administrators.

Woodard and Cy Fair HS are currently piloting this app now.

Decision Point

Next Steps:

Roll Out Plan?

- Pilot with a larger group
- Share this information with Campuses
