RRR Conference on June 10, 2015 and June 11, 2015

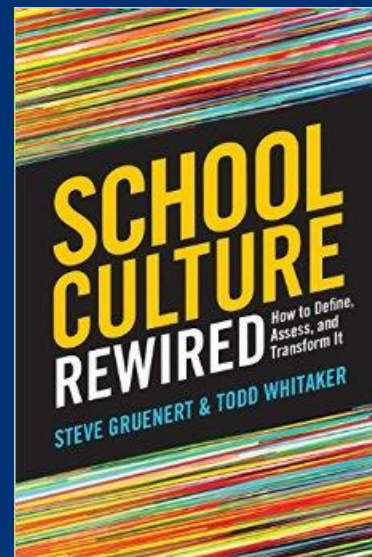

Frankie participated in several leadership sessions at the CFISD RRR conference on **Wednesday, June 10, 2015** and **Thursday, June 11, 2015**. The following are a few of the highlights of her learnings.

Jack Canfield offered several new ideas how to be more productive and successful. I received a copy of his latest book and plan to share with the team.

Damen Lopez was an inspiring speaker that gave instructional staff ideas about how to propel student motivation by accepting no excuses. Many of his ideas can be used for every day use as well!

Steve Gruenert offered tools and strategies for transforming school culture. Many of the ideas can be used in any workplace setting.

**R** rigor  
**R** relationships  
**R** relevance

Brad Waid was my favorite. He offered a breakout session on how a tablet device can easily be transformed into augmented reality. This is the technology of the future!
