

Loan Star College Chancellor's Chief Information Officer Advisory Meeting

Frankie Jackson was nominated to serve on the Lone Star College Chancellor's Chief Information Officer (CIO) Advisory council. She attended the first meeting on **January 23, 2018**. The focus of the meeting was to talk about workforce needs and review some new up and coming associate degrees that the college plans to offer, including Cyber Security and Mobil App development. The advisory council reviewed the curriculum and provided input and suggestions.
