

Preparations for Purchasing Video Systems Upgrade Including Cameras for Special Education Senate Bill 507 Requirement

Frankie Jackson, met with Paula Ross, Greg Rhodes, Mike Diaz, Kim Bowlin, Chief Bragg, and Juan Cruz on **November 9, 2016** to discuss the purchases for the video security systems upgrade RFP #16-09-4999. The cost for the video equipment to support 10 special education classrooms with cameras is \$118,925.24. Juan has the action to break the cost down by campus. Once he does this we will determine a funding source.

Paula, Greg, Kim, and Mike talked about the data center backup storage for the special education classroom video retention. Reviewed the technical details about how to configure the storage, either with 2 nodes or 3 nodes. The RFP covered 2 nodes. To keep the special education files completely separated from all other data in the storage area network will require a 3rd node, at a cost of an additional \$115,000. Technical discussions are underway to determine the best strategy.

Data Storage to Support SB507

Senate Bill 507

TIMELINE

- ✓ August 19, 2016 – Develop Request for Proposal (RFP) Bid Specification
- ✓ August 31, 2016 - Submit RFP to Purchasing
- ✓ September 8, 2016 – October 9 – Solicit bid to prospective vendors
- ✓ September 23, 2016 - Evaluation and assess options
- ✓ September 27, 2016 - Make formal recommendation
- ✓ October 10, 2016 – Request RFP Approval by the Board of Trustees
- ✓ October 18, 2016 – Meet with Finance and Police Department to discuss technical details and funding schedule
- **November 10, 2016 – Order and be prepared for installation**
