

Technology Services Leadership Team Participates in Texas K-12 CTO Council Meeting on February 2, 2016

The Technology Services Leadership team, including John Crumbley, Jay Johnson, Jennifer Miller, Frankie Jackson, Paula Ross, and Larry Barrios, participated in the Texas K-12 CTO Council Meeting on **February 2, 2016**.

A copy of the meeting program is [here](#) and the full trip report is available for review. The meeting provided a great opportunity to share technology information with leading vendors, other districts, as well as team build with our leadership team.

Leonard Chance was invited to present with Hayes Software in their vendor presentation during the meeting. Hayes selected the best district to help represent inventory controls, processes, and overcoming challenges. It was a highlight to watch Leonard present and be seen as a leader in Texas!
