

# Meeting with TEA to Discuss Issues and Requirements of Senate Bill 507: Mandating Cameras in Special Education Classrooms

Frankie Jackson participated in a Senate Bill 507 committee meeting on **Tuesday, February 9, 2016** in Austin at Region 13. Two Chief Technology Officers (CTO) were invited to attend the meeting to answer technology questions. Lewis Wynn, the CTO from Caldwell ISD and chair-elect for the Texas K-12 CTO Council attended. A copy of their notes are [here](#). The work group activities are also shown [here](#).

Frankie is currently talking to multiple security camera vendors, other districts, and CFISD departments to prepare average and accurate cost estimates.

Additional information is available [here](#).
