

# Technology Services Chili Cook-off Thank You to Our Judges!

On **March 9, 2018** Technology Services hosted a chili cook-off. Each team had a decorated table and a host of foods for everyone to sample ranging from salsa, soup, chili, sides, desserts, and a hot tamale cake!

Larry Barrios took the lead in coordinating the efforts, including bringing in outside department judges to "make it competitive."

The lunch was filled with fun, laughter, and great food. **THANK YOU TEAM!** It was a nice lunch to wind down for Spring Break.

Thanks to our judges: **Darin Crawford, Lisa Colbert, Matt Morgan and Bevin Gordon!**
