

Corpus Christi ISD Visits Cy-Fair ISD

Frankie Jackson coordinated and led a site visit with staff from Corpus Christi ISD on Thursday, **April 5, 2018**. Their staff was interested in our 2014 Bond technology program. We explained the processes we used for planning and how we went about funding and implementing the upgrades. After our meeting, Elizabeth Montes and Ray Leung gave them a tour at Bridgland high school. Becky Cook and Nicole Ray also shared their department's experiences. By all accounts, they were grateful and extremely impressed! **Thank you team.**

The following Corpus Christi staff visited:

1. Sean Babcock, Senior Director, Department for Technology Services
2. Marilyn Doughty, Director, Office of Technology Support Services
3. Cary Perales, Director, Office of Instructional Technology
4. Leanne Winkler Libby, Director, Office of Communications
5. Roland Hernandez, Ph.D., Superintendent of Schools
