

# Meeting with CEO of PowerSchool and Surrounding Districts

Technology Services hosted a meeting with the CEO of PowerSchool, Hardeep Gulati, on Thursday, **April 6, 2018**. The meeting was hosted by John Crumbley's team at the Berry Center. Surrounding districts were also invited to participate including Alief, Aldine, Conroe, Fort Bend, Tomball, Spring, and Humble. The first part of the meeting was spent hearing about support concerns. Hardeep also discussed his vision of where the PowerSchool is going in terms of a future roadmap. For lunch and in the afternoon, Becky Cook and Tod Sepulveda joined the meeting to discuss the timeframe for when PowerSchool's Unified Classroom will be available.
