

PowerSchool Unified Classroom Demonstration with Curriculum and Instruction

PowerSchool representatives demonstrated Performance Matters and Unified Classroom on **May 17, 2018**. Participants in the meeting included CyFair's executive leadership team for curriculum and instruction including Dr. Linda Macias, Glenda Horner, Mary Jadloski, Becky Cook and Todd Sepulveda. Technology Services staff included Frankie Jackson, John Crumbley, and Rodney White.

The CyFair teams were excited about the capabilities of Unified Classroom. The vision of combining learning, assessment, gradebook, special programs, and behavior management all under one umbrella is promising! Dr. Macias requested to visit a school district that is using Unified Classroom. PowerSchool took the action to set this up.

PowerSchool representatives including the CEO, Hardeep Gulati, with Cypress Fairbanks staff: Todd Sepulveda, Dr. Linda Macias, Glenda Horner, Mary Jadloski, Becky Cook, John Crumbley, Frankie Jackson, and Rodney White
