

Introduction to the New CyFair ISD Chief of Police Chief Mendez with Chief Baker

Frankie Jackson met with the new Chief of Police, Eric Mendez, and Chief Baker on Wednesday, **August 2, 2017**.

Chief Mendez discuss several technology projects that he has planned. He also expressed the need for dedicated staff and additional technology. Frankie asked Chief Mendez to prepare a list of needs so she can address each requirement specifically.

Chief Mendez's top priority is getting police officers at the campuses setup to use body cameras and have the ability to upload their video footage back to a central server at the police station.

Frankie had a meeting scheduled with Coban, a company that provides police mobile video and digital evidence management solutions. She told Chief Mendez she would follow back up with him after she met with representatives with Coban.
