

District Leadership Conference

Frankie Jackson along with the Technology Services leadership team participated in the District's leadership conference on August 7th and 8th, 2018. The first day included Dr. Henry's keynote address. An audio recording of his message is [here](#). It also included professional speaker, Angela Maiers. She spoke on "You Matter." A copy of her audio presentation is available [here](#).

"Words matter.
They're contagious.
And hopeful words infect people."

Dr. Mark Henry,
Superintendent

Angela Maiers

Somewhere along the way
we learn to withhold
our genius,
to not dream audaciously,
to not dare greatly.
We've been told
we're not enough,
that we don't matter. Somehow,
we believe this.
We have to change that belief,
RIGHT HERE, RIGHT NOW.
