

Aruba HPE Fall Meeting

Frankie Jackson along with Eric Pina, Jay Johnson, Paula Ross, Jennifer Miller, John Crumbly and Larry Barrios participated in an Aruba fall meeting on **November 7, 2018** at Region IV ith Security has never been more top of mind than now.

K-12 technology teams are challenged with meeting state and federal cyber security requirements along with detecting and preventing internal security breaches. The meeting was intended to help prepare district's security posture.

AGENDA:

- Aruba's Dan Rivera provides an update on eRate
- Aruba's discusses their 360 Secure Fabric
- Greg Bartay, Pearland ISD CTO discusses Machine Learning as a Security Operations Center
- Brett Williams, Klein ISD Network Manager discuss Securing Network Access
- Palo Alto Networks discuss security in K-12

Jim Schul, Dell Sales Strategist
