

2017 Spring Education Summit Hosted by Aruba HPE

2017 Spring Education Summit

Andrew Tran, Tony Rodgers, Ray Leung, Larry Barrios, Oscar Villar, Elizabeth Montes, Glen Carpenter, Anna Senties, Greg Rhodes, Jennifer Miller, Paula Ross, Frankie Jackson

On [April 11, 2017](#), Frankie Jackson and Paula Ross opened the [2017 Spring Education Summit](#) presenting on the topic, [Inventing the Future](#).

In the afternoon, Frankie participated as a panelist with the following representatives.

- Jack Martin – Director of Field Operations Greater Houston, Mediator
- Frankie Jackson – CTO CyFair
- Kari Murphy – CTO Deer Park
- Karen Fuller –Sr. Network Director HISD
- Matthew Almand – Network Architect Texas A&M University System
- Karen Fuller –Sr. Network Director HISD
- Matthew Almand – Network Architect Texas A&M University System
- Dan Rivera, Aruba K-12 Specialist

The summit offered great team building opportunities as well as insightful information about how to prepare and invent the future!
