

# Data Center Upgrade Project Status Meeting

Frankie Jackson met Ken Gibson, Lance Melancon, Dave Kapavik and Paul Maney (Layer3), Mike Diaz, Joel McCotter and Ken Wasko (Layer3) with Josh Zhang, Greg Rhodes, and Paula Ross on **December 15, 2017** to discuss the project status of Bond Goal 4, Data Center Upgrade.

This is the 3<sup>rd</sup> meeting to determine what remaining tasks are needed to be complete for two major projects: RFP #14-10-4578 approved by the Board of Trustees in February 2016 and RFP #16-12-5049 approved by the Board of Trustees on April 10, 2017. Frankie asked the Layer3 team to update the virtualization timeline so we can track progress until the project is done.
