2014 Bond Implementation Status As of August 8, 2016

The 2014 Bond implementation continues with significant completions in all technology infrastructure goals. The following table shows the overall completions by grade cluster and area of focus in the bond by wave of upgrade. The full detail of the schedule by campus can be viewed here. Staff is working as fast as they can between now and school startup to get to 100% complete on as many projects as possible. Great work team.

Grade Cluster	Wave 2A Install Cabling Planned	Wave 2B Install Cabling New	Wave 1 Replace Old Wireless	Wave 4 Install Dense Wireless	Wave 5A Connect Wireless to DC 3	Wave 5B Connect Wireless to DC 4	Wave 10 Install Outside Wireless	Wave 3 Replace Network Electronics	Wave 2C Connect Fiber Network	Wave 6 Upgrade Power and AC	Wave 7 Replace Phones w/ VoIP	Wave 8A Replace 15-16 Devices	Wave 8B Replace 16-17 Devices	Wave 9A Replace Network Printers	Wave 11 Upgrade ZEN to LANDesk
HUB Complete	100%	100%	100%	100%	100%	100%	83%	100%	100%	100%	17%	100%	67%	17%	100%
HS Complete	100%	100%	100%	100%	100%	89%	89%	100%	100%	100%	11%	100%	25%	13%	100%
MS Completion	100%	100%	100%	100%	100%	100%	95%	100%	100%	50%	6%	100%	75%	13%	94%
ES Completion	100%	98%	67%	78%	98%	98%	0%	100%	100%	0%	4%	100%	89%	24%	96%
Overall Estimated Completion	100%	99%	92%	94%	100%	97%	67%	100%	100%	63%	9%	100%	64%	17%	97%

Wireless — Bond 1 — Enterprise High Speed Wireless

Network — Bond 2 — Network Infrastructure

Connectivity — Bond 3 — Cabling, Power, and Air Conditioning

Data Centers — Bond 4 — Data Center Upgrades

Staff Tech — Bond 5 — Administrative Staff Technology

Construction — Bond 6 — Technology for New Schools

INSTRUCTIONAL TECHNOLOGY — Instructional Technology
