

Preparations for 2014 Bond Technology Infrastructure Update at the April 2017 Board of Trustee Meeting

Frankie Jackson prepared a draft 2014 Bond update for Technology Infrastructure, which will be given to the Board of Trustees during the April board meeting. A brief overall status for each Bond goal was prepared. The team is excited to share progress!

2014 Bond Technology Infrastructure Update

- Install High Speed Wireless Access Infrastructure

- Install Network Electronics Infrastructure

- Upgrade Connectivity, Power, and Air Conditioning

- Upgrade the Data Center and Infrastructure

- Upgrade Staff Technology and Telephone Systems

- Install Technology Infrastructure in New Schools
