

# Business and Education Forum

Frankie Jackson participated in a Business and Education Forum on Monday, **October 24, 2016**. The forum was hosted by Cypress-Fairbanks ISD. Districts from the surrounding areas participated. The focus was on starting conversations about working together with Chambers of Commerce, Education Foundations, Partners in Education, and Economic Development Councils, to benefit students. Other agenda topics included how to get faith based organizations involved and what businesses can do to represent school districts.

Business and Education Forum – Conversations about Working Together to Benefit Students
