

# Technician Meetings with Technology Services Staff and Technicians at Elementary, Middle, and High Schools

Frankie Jackson participated in both technician meetings on Wednesday, **November 16, 2016**. Technicians are split into the South and North side service teams, with the first being from 8:30 – 10:30 and the second from 12:30 – 2:30. Frankie provided an overview of major accomplishments. She thanked the teams for all of their hard work. She then stayed to hear all the other presentations provided by our Technology Services staff, all of which were informative and professional. Thank you team!
