

Campus Technician Meeting

On **February 14, 2018**, Frankie Jackson presented to the campus technicians – one group in the morning and another group in the afternoon. She presented a leadership topic about what love has to do with loving your job! A copy of the presentation is [here](#). She was also pleased to see the Enterprise Communications Network (ECN) quadrant leaders meet with campus technicians zoned to their campuses where they discussed conducting network closet preventative action reports. See the next slide.

What's Love Got To Do With It?

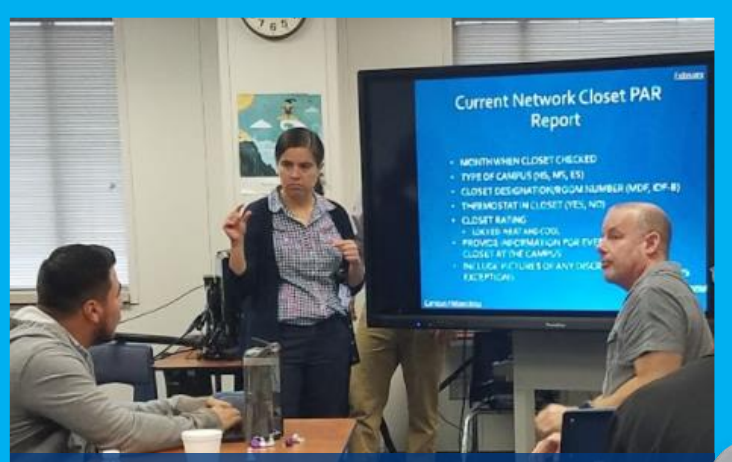

Anything & Everything

Eric Pina Presents on Cyber Security Training with KnowBe4

Eric Pina also presented on Cyber Security. He let the technicians know about our plans to start CyberSecurity awareness training and e-mail phishing campaigns. Great job Eric.

Network Quadrant Leaders Aligned with Campus Technicians
