

# Crisis Preparedness Pays Off During Hurricane Harvey at One Large Texas School District

The Consortium of School Network (CoSN) asked Frankie Jackson to prepare an article describing the district's technology crisis preparedness action plan. On **September 8, 2017** Frankie prepared this article: [Crisis Preparedness Pays Off During Hurricane Harvey at One Large Texas School District](#).

She also included a network analysis of system availability provided by Oscar Villar and David Deitsch (Presidio).
