

Building a Trusted Learning Environment Presentation to the District Support Team

Frankie Jackson, Jennifer Miller, and Eric Pina presented to Dr. Henry's District Support Team (DST) on Thursday, **February 8, 2018**. They shared information about student data privacy and security as it relates to building a Trusted Learning Environment (TLE). A copy of the full presentation is available [here](#).

The presentation focused on four main points:

1. The risk of managing student data privacy and cybersecurity
2. How we are addressing the problem
3. The plan for building a Trusted Learning Environment (TLE)
4. The plan and agenda for having Steve Smith, a TLE Consultant, work with our district staff on February 19, 2018.
