

# CFISD Technology Services Receives \$3,086,606 Million Dollars for 2015-2016 E-Rate Reimbursement

On **August 1, 2017**, the Technology Services team received **\$3,086,606** dollars for E-Rate reimbursements from the Schools and Library Division (SLD) of the Universal Service Administrative Company (USAC). The refunds are from the 2015-2016 E-rate filings for wireless internal connections provided by Layer3 Communications.

Shown in the picture are staff that worked on the E-Rate filings and paperwork. The time that it takes to work through the filing for e-rate, answering Program Integrity Assurance questions, inventorying assets and providing backup invoices is a monumental effort. EPS, with Ed and Polly Gifford, and ESC12 E-Rate Consulting were not available to be in the picture.

**THANK YOU TEAM!**
