

E-Rate 2017-2018 Reimbursement Requests Filed with the Universal Service Administrative Company (USAC)

Katie Hernandez, Kim Bowlin, Paula Ross and Frankie Jackson worked all week leading up to the E-Rate filing window deadline on **May 11, 2017**, to file E-Rate 2017-2018 funding requests. All worked tirelessly with Education Partners Solution (EPS) and ESC12 E-Rate Works, the district's E-Rate consulting firms, to get all of the contracts, bid documents, board approvals, and bill of materials organized for the E-Rate 471 filings. It was a MONUMENTAL effort full of complexities and design considerations.
