

E-Rate 2018-2019 Reimbursement Requests Filed with the Universal Service Administrative Company (USAC)

Katie Hernandez and Frankie Jackson submitted E-Rate 2018-2019 funding requests on March 22, 2018. All worked tirelessly with Education Partners Solution (EPS) and ESC12 E-Rate Works, the district's E-Rate consulting firms, to get all of the contracts, bid documents, board approvals, and bill of materials organized for the E-Rate 471 filings.

The following shows the amount of funds requested in 2018-2019 by vendor. A total of **\$2,340,439.90** is expected in funding returns! Kim Bowlin, Paula Ross, Katie Hernandez, ESC12, and Ed and Polly Gifford's (EPS) support was tremendous as the process is tedious and complex!
