

Instructional Technology Advisory Committee Invites Cyber Security Services to Present About Cyber Security

Becky Cook held an Instructional Technology Advisory Committee meeting on [April 17, 2018](#). She invited our Cyber Security Services team to present including Jennifer Miller, James Costello and Eric Pina. Jennifer gave an outstanding presentation on Cyber Security. Eric and James supported her. Other topics included digital citizenship and Bring Your Own Technology (BYOT). Others attending included Principals and Directors of Instruction from each school cluster.
