

Texas K-12 CTO Council Fall Meeting Next Generation Metro Networks

Next Generation Metro Networks

Peering* to Cloud Providers

Frankie participated in the Texas K-12 CTO Council Fall Meeting on Friday, October 21, 2016 at the Woodlands Marriott. It was a full program filled with great insights and lots of information sharing.

Larry Barrios presented on "Success and Tribulation in Migrating 60,000 Devices to LANDESK in Summer 2016." Check out a short video of Larry talking the LANdesk conversion.

Frankie Jackson served on a discussion panel with Spring Branch ISD, Pasadena ISD, and Polly Gifford (EPS) discussing next generation metro networks.
