

Leadership and Vision Key Performance Indicators (KPI) Strategic Alignment

Frankie Jackson updated the Leadership and Vision Key Performance Indicator (KPI) strategic alignment worksheet. The worksheet includes linkages to the District Improvement Plan (DIP) with goal definitions and measurements. Our mission is to LEAD in providing world class technology services in K-12 systems. Working towards that mission, an exhaustive analysis was conducted compiling results from the past 4 years as shown here.

MISSION

LEAD in Providing World-Class Technology Services in K-12 Systems

LEARN • EMPOWER
ACHIEVE • DREAM
