

Meeting with Layer3 to Discussed Managed Distribution Denial of Service (DDOS)

Frankie Jackson, Paula Ross, and Greg Rhodes met with Dave Kapavik and Brad Goodman, both from Layer3, on **September 18, 2017**. The purpose of the meeting was to discuss their service offerings for a managed Distribution Denial of Service (DDOS) offering. Their offering may provide opportunities to manage the growing threat of DDOS attacks more effectively and efficiently.
