Subject: Status of Activities

The Texas K-12 CTO Council Leadership Advisory subcommittee is in the process of being formed. Melissa Oshman and Frankie Jackson conducted a conference call on August 1, 2017. We set forth the following goals for the committee.

1) Identify the Leadership Advisory membership

Prepared survey to all CETLs and asked if they want to serve on the Leadership Advisory, TLE Focus Group, and or as a Mentor. If interested in being a Mentor, then ask areas of expertise in CETL Module first, second, and third choice. The following CETLs are interested in serving as a mentor. Plan to ask these mentors to serve on the Leadership Advisory committee:

Frankie Jackson
Victor Valdez
Bill Lovelace
Adam Feind
Karen Fuller
Kevin Schwartz
John Orbaugh
Joe Barnett
Sandra Hayes
Melissa Oshman

2) Form a Leadership Advisory focus group on the Trusted Learning Environment

Create a Trusted Learning Environment (TLE) Focus Group geared towards creating a platform for sharing ideas and best practices for obtaining the TLE seal which will result in at least 10 districts in Texas that are TLE designated. This group has been formed. The group had a great conference call last week. Districts participating in the focus group are Cypress-Fairbanks ISD, Houston ISD, Round Rock, Lewisville, Cleburn, McKinney, Aldine, Klein, and Northside ISD. Great group!

3) Create a forum to expand the CETLs in the state resulting in 10% of all Texas K-12 technology leaders are CETL certified.

4) Create a forum for mentorship and a process to request support.

5) Explore the consultation services that the Texas K-12 CTO Council could provide to Texas School Districts.

6) Explore the possibility of providing services and support to other associations such as TASA, TASB, TASBO, e.g. write articles, give presentations, etc.
