Meeting Objective: *Work with a group of Education Technology Leaders to Develop Leadership Skills and Learn About and Study for the CETL Program*

Meeting Participants

Michelle Campos, Rodney White, Demetria Hargrove, David Deitsch, Elizabeth Montes, Doug Baker, Dava Clark, Eric Pina, Anthony Melton, and Frankie Jackson

AGENDA

1. Discussed last week's leadership challenges.
 - o FJ - Participating in the Texas K-12 CTO Conference and not having 2 presentations done when I got there so I had to get up at 3:30 a.m. to get them done, plus balance work at CFISD and attend session conferences.
 - o MC- Trying to juggle the balance between work, home and school.
 - o DD - Attempting to meet everyone's needs and expectations when those needs may not be aligned with each other.

2. Stated the initiation of a toast master's chapter organization - Reviewed survey results (Michelle and Elizabeth). Discussed our team leading our own Toastmaster Group. We have many that are interested in joining the group (see the list). Decided to invite a spokesperson from Toastmaster to discuss with our team so we can decide what option would be best.
