

# Lead-up Principle # 9

Monday, August 27, 2018 9:41 AM

Be better tomorrow than you are today (Elizabeth Montes)

- Growth helps you lead up

Keep learning

Prepared yourself

Star asking yourself WHO do you want to be

Be more GROWTH oriented instead of goal oriented

- The better you are, the more people listen

Competence will give you credibility

Credibility allow you have more influence to others

- The better you are the greater your value today

Improve your skills, knowledge

- The better you are, the greater your potential for tomorrow

See your growing as an investment, the more you growth professionally the ore likely to influence people in your organization

- How to become better tomorrow

Learn your craft

Talk your craft

Practice your craft

**Get out of your comfort zone and try NEW THINGS!!!**

**Success is all about growing yourself!!!!**
