**Have you ever been nervous about speaking in front of a crowd or even just presenting to a small group of your peers?**

**Do you want to become a confident public speaker and strong leader?**

**Well you're not alone. It is estimated that as much as 75% of the population have a fear of public speaking to some degree.**

Technology would like to form a group of people within our department, that are interested in tackling this fear head on. The Toastmasters club offers many different resources and exercises to their members and has been around for many years. This is why we are looking to partner with Toastmasters. Below are some of the benefit to you of joining the club:

- More effective communicator
- Better Listener
- Confidence
- Improve leadership skills
- Relationship-building
- Personal growth

The benefits are endless if you are willing to put in the time and effort. Below are the requirements for us to be able to host our own club:

- Find at least **20 people** over the age of 18 who want to join.
- Designate and secure a **meeting location**.
- **\$20**: New-member fee per person
- **\$45**: Six months' membership dues per person

If you would like more information please visit the [Toastmasters website](#) or feel free to reach out to myself.

Below is a link to a survey that we request you take if you are even slightly interest in the opportunity to join the CFISD Technology Toastmasters Club.
