

Magazine Article for School Administrator Magazine Introducing the Texas K-12 CTO Mentorship Program

On behalf of the Texas K-12 Chief Technology Officer (CTO) Council, Frankie Jackson wrote an article for the Texas School Administrator magazine. The article is for the July/August 2018 edition. The title of the article is:

Chief Technology Officers as Strategic Leaders and Enablers of Education: What Are We Doing to Increase Professional Development and Continuously Improve?

The focus of the article is to introduce the newly developed Texas K-12 CTO Mentorship program
