

# End of the Year Campus and Service Technician Meeting

Frankie Jackson presented at the end of the year campus and service technician meetings on **May 23, 2018**. She presented on high-performing, world-class teams and what they do to produce results. She emphasized the team's results with an emphasis on Great8 Expectations. A copy of her presentation is [here](#). The meeting was split into two meetings with a catered lunch in between. The agenda was packed with information including end of the year thank yous, summer school information and a recap of the year! More pictures are on the next slide.
