

Preparing Bid Specifications for the Request for Proposal (RFP) Bid Solicitation to Expand the CFISD Enterprise Wide Area Network Build-Out With New Facilities and Renovations

Frankie Jackson met with Oscar Villar, Kim Bowlin, Paula Ross, Jay Johnson, and Ed and Polly Gifford on **December 2, 2016**. The purpose of the meeting was to discuss the development and progress of four (4) bid specifications as we prepare to build out the network, add new schools, and renovate schools. The schedule of RFPs and their award are carefully aligned with e-rate which is fast approaching at the first of the year.

The following RFPs will be solicited with a plan to go to the February 2017 board meeting for approval.

- RFP #1 Internet Services, Peering options, and Internet 2
- RFP #2 Fiber connections for redundancy
- RFP #2a Fiber connections for new schools
- RFP #3 Network electronics, UPS' and Wireless Access for new schools
