

# New Construction Move In Planning Meeting With All Stakeholders

Frankie Jackson with Frank Adian, Kim Bowlin, Leonard Chance, Doug Baker, Mike Raspet, Anthony Melton, and Jay Johnson met at Windfern Annex on **July 13, 2017** to review the move in plan at the new schools: Hoover elementary, Wells elementary, Bridgeland high school, and the new Matzke elementary. Representatives from Purchasing, Facilities and Construction, and each new school's administrative representative was in attendance to ask questions and address concerns.

Mike Raspet was clear to articulate dates for when network connectivity will be available in each of the schools. Leonard Chance and Kim Bowlin provided specifics about technology installations.

Administrators were complimentary of Technology Services staff. Mike Smith, the principal at Bridgeland High School, gave a special mention about Elizabeth Montes outstanding support! Thank you team!
